

Create TWO of the same shape side by side. Fill one with a preset gradient. Fill the second with the same gradient THEN modify it with additional colors.

SHAPE WITH PRESET GRADIENT

SHAPE WITH PRESET GRADIENT MODIFIED

Create TWO of the same shape side by side. Fill one with a simple pattern. Fill the second with that pattern after it has been modified.

SHAPE WITH PRESET PATTERN

SHAPE WITH PRESET PATTERN MODIFIED

Use the space on the left to create a pattern using Object > Pattern > Make. On the right side fill a shape with your original pattern.

SHAPES USED TO CREATE NEW PATTERN
