

Type a word in the box to the right and use the Touch Type tool to modify/change **each** letter.

Create a wavy line in the box to the right and use the Type on a Path tool to add text to the line.

Create a shape in the box to the right. Use the Area Type Tool to fill the shape with text. Adjust the size of font to make it fit as much as possible so that the shape is recognizable. You may have to play with leading and kerning.

Use the Vertical Type Tool to type a word in the box to the right.

Create two lines in the box, one vertical and one horizontal, and use the Vertical Type on a Path tool to add text to each line.

Create a shape in the box to the right. Use the Vertical Area Type Tool to fill the shape with text. Adjust the size of font to make it fit as much as possible so that the shape is recognizable. You may have to play with leading and kerning.

In the paragraph to the right, demonstrate your ability to use the following Character panel options (be able to identify each for credit):

- Tracking
- Kerning
- Leading
- Baseline Shift
- Character Rotation

I pledge Allegiance to the flag of  
the United States of America and  
to the Republic for which it stands,  
one nation, under God, indivisible,  
with liberty and justice for all.

Make the adjustments exaggerated enough so that they can easily be identified.

Type a word or words and use the All Caps option from the Character Panel.

Type a word or words and use the Small Caps option from the Character Panel.

Type a word or words and use the Superscript from the Character Panel.

Type a word or words and use the Subscript from the Character Panel.

Type a word or words and use the Underline from the Character Panel.

Type a word or words and use the Strikethrough on the Character Panel.
